360-Degree Feedback Report 1/2/2024

About this Survey

This multi-rater survey is designed to assist your team in assessing and developing its effectiveness. As an aggregated report of the perceptions of the members of the team, it is intended to:

- Help your team identify its strengths and areas for improvement
- Enable the individual members of the team to better understand each others' perspectives
- Serve as a quantitative baseline for the team's progress over time
- Catalyze constructive discussions about how the team can be more effective
- Demonstrate that the team is open to feedback and committed to continuous improvement

Rating Scale

The rating scale shown below was used in scoring quantitative feedback.

Clarity: What questions or concerns do you have about the strategic direction of the department, goals or roles of the team?

Team Leader

We have made progress, but need to do more

Team Members

Getting better, but still work to be done

Things are getting clearer now that strategic reviews are done

Decision making: What would you suggest to improve decision-making?

Team Leader

Voting has been helpful

Team Members

Now that our mission is clearer, our decisions are more aligned

Majority rule isn't always best
